RE: Olin Corp. Superfund Site
McIntosh, Alabama

Dear Mr. Harders:

Please find enclosed copies of the Draft Work Plan, Sampling and Analysis Plan (Volumes I and II) and Health and Safety Plan. In addition, I am forwarding a copy of our letter to Olin which contains our comments on the draft documents. Olin responded to our comments in their letter dated April 25, 1991 (also enclosed). These documents will hopefully bring you up to date on the status of this site in order to enhance your review of the Revised Work Plan documents that are forthcoming on or before April 28, 1991.

If you have any questions upon reviewing these documents, please do not hesitate to contact me at (404)347-2643.

Sincerely,

Cheryl W. Smith
Remedial Project Manager
South Superfund Remedial Branch
